This stunning 6 Bedroom, 6 Bath, 8,900 sq. ft. home was built in 2007. It is move-in ready and offers unique high-end features for the discerning homeowner.

Built with only the finest materials, including limestone, honed travertine, solid granite, and solid oak, this magnificent home is a must-see. The first floor master boasts a large walk-in closet and an ensuite bath sure to satisfy even those with the most refined taste.

This home is situated on nearly 23 acres and not only has a 5 car attached garage, but also a detached RV/Car garage. The bedroom count can be increased as needed due to many bonus areas.

Additional features include an Amish custom-built spiral 3-floor staircase that must be seen to be believed. The craftsmanship is a true work of art. Your private movie theater will be the gathering spot for all your friends to enjoy the big game or a private movie night with family.

Solid oak 6-panel doors, oak flooring, crown mouldings, tray ceilings, limestone walls, and oak pillars are all reasons why you must view this amazing home.

The courtyard and stunning views are wonderful and are icing on the cake of this spectacular property.
