3424 E Hidden Oak Dr

COTTONWOOD HEIGHTS, UT 84121

This hilltop property features stunning panoramic views and exquisite landscaping that enhances its contemporary design. The expansive paver terrace is ideal for outdoor living, complete with a beautiful swimming pool overlooking the mountains and Little Cottonwood Canyon. Surrounded by scrub oaks, pines, and large boulders, the outdoor space includes a cozy firepit area. Inside, the home boasts high vaulted ceilings, wood planking, and travertine floors, accented by elegant dark woodwork. The chef's kitchen features granite countertops and high-end appliances, while the great room offers warmth with two wood-carved fireplaces and a loft. A tranquil den includes a cast stone fireplace. The primary suite resembles a luxurious hotel room, with towering ceilings, a stacked stone fireplace, and scenic windows. Its spa-like bathroom includes dual wardrobes, upscale built-ins, and a jetted tub. The lower level features a recreation room with a wet bar, two bedrooms, two bathrooms, and a main laundry room. With two large double garages and unmatched craftsmanship, this home offers luxurious living just minutes from world-class skiing. Check out the attached Matterport Tour for layout details.
