Welcome to 2232 S Beltline Road in Dallas, Texas. This spacious property offers 4 bedrooms, 2 bathrooms, and over 1,700 livable square feet, providing ample room for comfortable living and future upgrades. In addition to the generous interior space, the home sits on over 2 acres of land, offering a rare opportunity for those who need room to entertain, expand, or manage additional storage needs. This property is well-suited for a family seeking space to gather and enjoy outdoor activities, as well as for a business that requires additional room to store equipment or support operations. This is a prime chance to make your mark. Purchasers have the opportunity to invest back into the home and create a personalized masterpiece tailored to their lifestyle. Conveniently located with easy access to schools, major roadways, entertainment, and other local amenities, this property combines space, potential, and location in one must-see listing.
