2 Beautiful Lots in Axton There are 2 lots included in this sale. The current home, which is known as 701 Daniel Road, features one bedroom, one bathroom/ laundry room combo, a dining room, kitchen, living room, sunroom, and additional living area upstairs, for a total of 1,168 square feet of total living space. This home is being sold as is. The roof appears to be in good condition. The tax records indicate that the property is serviced by public water, and there is an oil tank present. Utilities are not currently on or working. Public Records also show the year built unknown. 701 Daniel Rd is in an established residential area within close proximity to all necessary supporting facilities such as schools and shopping. The improvements conform well to the surrounding houses. The dwelling unit previously on the adjoining lot has been removed and the land is currently vacant.
