

8422 Menkar Rd, San Diego, CA 92126

This uniquely configured property offers three distinct living areas and a generously sized yard featuring vinyl fencing in the front and side yard areas as well as wood fencing in the rear. The garage has been converted and currently functions as two bedrooms, a bathroom, and a kitchen. The middle portion of the home has also undergone modifications, including the addition of extra bedrooms and bathrooms. The rear of the home features a large kitchen with a wine refrigerator, stone flooring, and multiple bedrooms and bathrooms.
