

9005 Ticket, San Diego, CA 92126

This uniquely expanded property offers exceptional flexibility for large or multi-generational living. The home features numerous modifications, including garage alterations, added bedrooms and living areas, and a spacious rear section with its own entrance, bedrooms, bathrooms, and kitchen area. The front section has also been reconfigured to create additional usable space. Buyer(s) to verify all permits, square footage, room count, and intended use. Tax records show 5 bedrooms and 3 bathrooms, though the current layout may differ. This property is ideal for buyers seeking abundant space and a versatile layout.
