Neo classical Greek Revival just off William St. near (but not in) the historic district. Presently used as a rental investment property...there are 2 (2 bedroom) apartments plus 3 separate sleeping spaces that share the finished common area in the basement. A detached garage with workshop area, too. This home is also perfect for a "period" renovation. There is a grand entry foyer, 2 fireplaces and plenty of original moldings. Many recent improvements include a newer 7 bedroom system, architectural shingle roof and newer boiler/oil tank. Wonderful yard and classic cobblestone driveway. Only 2 blocks from Main St and all that is Vineyard Haven.
