Charming one-bedroom loft cabin along the Deschutes River. This home is nestled in a mature forest encompassing two parcels totaling nearly two acres. The open-concept floorplan, with loft and skylights, creates a spacious feel, while real-wood log walls and custom-crafted staircase provide that rustic atmosphere you want in a woodsy cabin. As an added bonus, put a little elbow grease into the lookout gazebo and you can enjoy watching the fauna play by the river while sipping your morning coffee. The cabin is currently occupied by a wonderful, long-term tenant on a month-to-month lease. The cabin and cabana will need some TLC but is very habitable and worth the investment. Property sold as-is.
