This fantastic 9.52 acre parcel has so much potential. This lot offers a gently sloping terrain leading up to a wooded vantage point with views of the surrounding foothills and through to the Sacramento Valley. The below. The property is fenced on 3 sides and offers a seasonal creek. This site would be perfect for building your dream home. The location offers seclusion and privacy, yet the property is located less than 15 miles from Oroville. It is a great spot for horses. Power is at the street. A must see. 97 Gold Mountain Road (across the street) is also available for purchase
