1104 STATE HWY 78 | MOUNT HOREB, WI 53572

Attention all handymen, flippers and investors this property is for you! Mainly gutted will save you both time and money allowing you will be able to walk in and start the renovations you desire. The home has potential to be a show piece like it was when it was built. The unique design of the outside of the home leads to a very cool layout to the inside of the home. This home will allow you to show off your skills. So no matter if you are you are looking to flip the home, make it yours, or rent it out the options are endless. Located within the Mount Horeb school district makes the location desirable as well. Come see it today!
