This is a beautifully designed Mediterranean style home on 12m/l acres! It is boasting with columns, brickwork, and wrought iron railings! With over 6000 square feet of living space, the high beamed ceilings and archways create even more of a sense of spaciousness! This captivating kitchen is host to plenty of counter space and storage! More features include two fireplaces, a cozy loft, a formal dining area, one-of-a-kind aquariums, and a breathtakingly designed pool that is in need of some TLC! This property is a must-see in the desirable Oak Grove area!
